

Dear Grange Community,

The posters created by the children following the last 2 Headteacher assemblies have been flying in and I am awarding hundreds of classcharts points!

I discussed with the children how we need to SLOW DOWN and TAKE OUR TIME when clearing up after lunches and put the plates, knives and forks in the right places so that we do not lose much needed cutlery when it lands up in the bin when we are rushing.

I am so pleased to see that many children have really taken this onboard and are doing their PB (Personal Best) to be people of CONSIDERATION (the CC Way) and make our school feel good.

Speaking about PB - our Yr 6 football team simply excelled in their tournament this week. They displayed great teamwork, consideration and zest and won all their games. We are so proud of them for demonstrating our School CC values and achieving their PBS. A huge shout-out for our Coach Mr Dowling, PE Lead Ms R Shah and Assistant Coach on the day, Ms Barnes.

I was also very proud to welcome the Headteachers of our neighbouring schools to Grange, this past Wednesday for the West Harrow HT cluster meeting. Our amazing team of Ms Mukadam; Ms Abid - Grange Staff; Ms Pratima - Grange Governor and Ms Sakou- Grange Parent, prepared a delicious and beautiful lunch for the Headteachers who enjoyed and valued their visit to Grange

The Open Mornings have been wonderful. Thank you to Parents/Carers for your support. Attendance at Grange is currently above 95% Thank you for getting our children of Grange to school on time every day! -Keep up the good work!

DYCE Theatre Workshops

This week, all classes in Years 3-6 had the exciting opportunity to take part in DYCE drama workshops, delivered by Unique Community Theatre practitioners over two days.

These interactive sessions used process drama to help the children step into different stories and explore empathy, critical thinking and resilience through original performances. The workshops encouraged teamwork, discussion and reflection on real-world themes in a safe and engaging way, giving everyone fresh perspectives and creative-thinking skills they can carry forward in their lives.

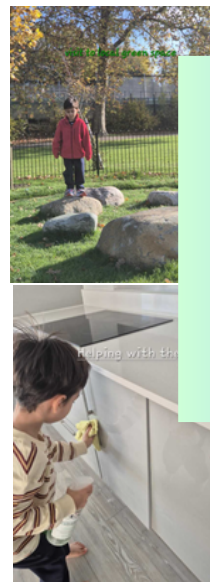

***Thank you to the Unique
