

Dear Grange Community

Last week, we completed the week with our communal Iftar which was beautiful, wonderful and uplifting. This week, we started with an assembly meditation led by Ashvi from the Young Ambassadors for Peace. It is very special to experience how Grange celebrates diversity and humanity and makes moments to sit quietly and be at peace with oneself.

The coming week will see many of our community; Children, Staff, Governors and whole families celebrating the Eid at the completion of the month of Ramadan.

It's lovely to see how our community all support each other and we strive to treat each other with respect as should be. Every day matters for learning and we keep the learning going even when there are disruptions such as absence due to illness or celebration of cultural and religious natures.

On that note, the coming week will also see welcome the Persian New Year and we send thoughts and prayers for the people of Iran and all caught up in the conflict: May Peace and Liberty come for all on this Nowruz

Each day is crucial for learning but **I will be authorising one day of absence for observance of Eid or Nowruz but please contact the office and specify the reason for your child's absence in advance as it will not be authorised if we are not notified with a reason given.**

Wishing everyone from the Grange community confidence, consideration, kindness, humanity and peace

Year 6 Brilliant Club Graduation Ceremony

On Monday 23rd February, 14 of our Year 6s who took part in The Brilliant Club's Scholars Programme attended their graduation ceremony at King's College London after successfully passing their final assignment. The programme gave the group the opportunity to experience university-style learning, helping them develop independence, critical thinking and confidence in their academic abilities.

It was a fantastic experience for all involved and a wonderful opportunity to visit and tour the university campus too. A special mention goes to Izan and Suyash, who delivered incredible speeches in a packed lecture theatre in front of graduands from many other schools.

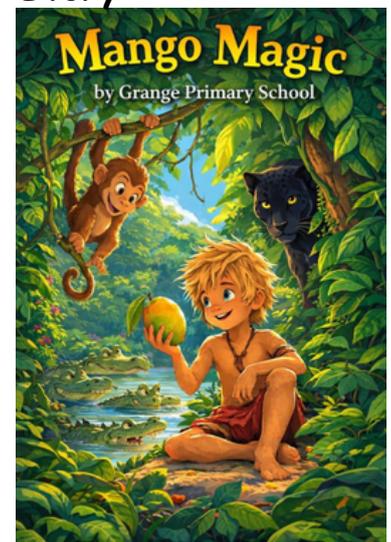

Well done to Bahar, Dylan, Farhan, Isaac, Izan, Kaetharani, Leen, Matei, Mayssa, Ruvyana, Sara, Shaun, Suyash and Wadiya!

World Book Day 2026 - Great Grange Progressive Story

The much-anticipated Grange World Book Day story is now here! Well done to all of the children in the Years 1-6 classes who took part in creating our incredible 2026 story called 'Mango Magic'. It is such a brilliant read with themes of bravery, courage, resilience and so much more. Follow the link to our school website and happy reading!

"A huge thank you from the PTFA

The best thing about Friends Fest was that we were able to combine two achievements. A whole week of community building activities for our children, organised by the student leaders, that focused on kindness and we were able to raise some funds for the school. We managed to raise £1000.65 towards our initial goal to raise £6500.

Please see our PTFA calendar for upcoming events where all your support is needed and appreciated."
