

Dear Grange Community,

I am off to Lords today with 100 of our children and a great staff and Parent/Carer team for a cricket-loving and cricket promotion trip today sponsored by the Harrow Boys School.

We are fortunate and blessed to have Coach Hari and Coach Graeme coming in from Harrow Boys each week to work with a group of our Year 6 children in addition to the great cricket coaching for all classes from our very own coach, Mr Dowling.

Our school is about so much more than just a dry academic curriculum and enrichment runs through our veins with our commitment to active and 'adventure' learning. The adventure booklets have breathed new life into our school this year and the way we teach Maths and English and indeed all the subjects, is consciously focussed and planned to increase love of learning.

I am grateful to our Subject leaders, Teachers and Educators for their commitment to our Grange vision of educating towards a better world by imbuing our children with a balance of confidence and consideration so that they can grow their powers of kindness, humanity and peace.

In this spirit I am so proud of our entire year 6 Grange community who are about to engage in the statutory Sats test process next week. I know that they will do their PB's - their personal bests! Much more important than the results is their attitude. We strive every day, each of us in the Grange community, to grow our CC power and become the best that we can be - to be good human beings. When we make a mistake, we aim to reflect and learn from it. We aim for restoration and peace always and this year 6 community of Rumi and Malala Grange demonstrate these virtues.

I am proud of them and believe in them and our wonderful, caring staff team and the Grange governors who support our vision of confidence, consideration, kindness, humanity and peace.

Be brilliant Yr 6 Grange pupils - Be your PB -  
we are all with you!

## Firefighters visit

This week, Ms Mandalia organised for a special visit from a local firefighter, who came to school to talk about fire safety in the home and how to stay safe in an emergency. The session was both engaging and informative. Children learnt about the importance of having working smoke alarms, planning escape routes with their families, and what to do if they ever hear a fire alarm. The firefighter also explained how to make safe choices around matches, candles, and electrical appliances. Pupils were fascinated by the real-life stories shared and asked thoughtful questions about the role of firefighters and how they help keep our communities safe.

Hedgehog Awareness Week 03-09 May 2026

They made houses for the hedgehogs to help them shelter.

This week, Nursery children have been promoting Hedgehog Awareness week. They have been visiting each year group singing their hedgehog song. Great work Nursery!
