

Dear Grange Community

I'm writing this article from the Harrow Arts Centre as our amazing Grange Yr 5 pupils team up with Newton Farm School to present their brilliant Shakespeare Primary Company Production with a live band and professional lighting in an actual theatre. This is one of our wonderful Grange enriched learning experiences that we engage in each year. 10 brave children and 3 Grange staff also began the day with accompanied (piano) practice for their July violin grade exam. This is another of our rich Grange provision for children. There are more trips coming up and an amazing pupil leadership project with Orley Farm School. Sports Day is coming up and of course, the Grange Yr 6 graduation ceremony including a violin concert and a production. Music concerts and Sing, Sing Sing with Heathlands School visiting us to perform are all part of the menu and of course we carry on with our commitment to making as many lessons as possible, active and outdoors. The PTFA are gearing up for their wonderful events and we need all those who haven't signed up to Arbor to join as quickly as possible. Ms Begum is looking at our website and we are excited because with her skills, we shall be seeing more fresh content on our website. Look out for the Grange Primary School Harrow LinkedIn page which Ms Thurlow updates regularly and of course our YouTube channel started back in 2018

Please keep up to date with our Newsletters;

## Wheelie Great Bike Trail

On Friday 12th June, our pupils took part in the Wheelie Great Bike Trail, a fun-filled event focused on cycling and bike safety.

Throughout the day, pupils enjoyed making pedal-powered smoothies, decorating their bikes, completing obstacle courses and watching an exciting professional BMX display. Aaliyah said, "It was the best way to learn and have fun at the same time." Mohammed added, "I liked making a smoothie with a bike and meeting the Mayor of Harrow."

The event was a fantastic opportunity for pupils to develop their cycling and road safety skills, build confidence and stay active. Thank you to everyone who helped organise such a memorable experience.

## Year 4 Perform at the Harrow Recorder Festival

On Tuesday 16th June, eight Year 4 pupils took part in the Harrow Recorder Festival at Harrow Arts Centre.

The children performed alongside pupils from other Harrow primary schools and the Age of Enlightenment Orchestra. They thoroughly enjoyed the experience and loved playing their recorders as part of a large musical ensemble.

Their enthusiasm, confidence and musical talent were wonderful to see. Well done to all the pupils involved.

## ARMS and Years 3-5 Enjoy The Lion King Dress Rehearsal

On 16th and 17th June 2026, pupils from our ARMS Unit and Years 3, 4 and 5 were delighted to attend the dress rehearsal of The Lion King at Orley Farm School as part of their 175th anniversary celebrations.

The spectacular whole-school production showcased incredible talent, creativity and teamwork. From the impressive costumes and set design to the outstanding singing, acting and choreography, the performance captivated our pupils from start to finish. Many commented that it felt like watching a professional West End production.

Our ARMS pupils particularly enjoyed the experience, with one pupil describing the show as "like a movie". The outdoor setting added to the magic and created a truly memorable experience for everyone involved.

Following the performance, Orley Farm School kindly provided refreshments for pupils and staff. We are incredibly grateful for their warm welcome and generosity.

Thank you to everyone at Orley Farm School for inviting us to share in this special celebration. Congratulations to the cast, crew and staff on an outstanding production and a wonderful way to celebrate 175 years of Orley Farm School.

## Our World 2026 - Shortlisting Event

On Wednesday 17th June, our Student Leaders took part in the Grange Primary School Our World 2026 Shortlisting Event. A panel of seven judges listened to six project pitches designed to improve our school and enhance the experiences of pupils at Grange.

The judges were highly impressed by the quality of the presentations, the confidence of the pupils and the creativity of their ideas. Mrs Joshi commented, "Very well prepared, excellent ideas. Well done everyone." Mrs Ryatt added, "The children did so well preparing their pitches and spoke so confidently." Mrs Watson praised the professionalism of the presentations, while Mrs Merchant particularly liked the idea of the Calm Garden Area.

Following the judging process, four projects were selected to represent Grange Primary School at the Our World Event at Orley Farm School on Friday 26th June:

- Sand Digger Crew
- Improving Hygiene and Protecting Our Environment at Grange
- Outdoor Learning Area
- Splash Zone

Congratulations to all of our Student Leaders who took part. The standard was exceptionally high, and every pupil should be proud of the teamwork, creativity and confidence they demonstrated. We wish our finalist teams the very best of luck as they prepare to represent Grange at Orley Farm School.

*On Wednesday 17th June 2026, Year 6 pupils joined Harrow Litter Pickers to help keep South Harrow clean and tidy.*

## Year 6 Pupils Help Clean Up South Harrow

On Wednesday 17th June 2026, ten Year 6 pupils joined Harrow Litter Pickers to help clean the South Harrow Arches route, an area regularly used by many of our pupils and families. The children worked hard to remove litter and improve the local environment, building on previous work where they wrote letters to TfL and local councillors to raise concerns about the area.

Harrow Litter Pickers praised the pupils, describing them as "an absolutely fantastic group of young people and a real credit to the school." Volunteers were particularly impressed by the children's enthusiasm, positive attitude and willingness to make a difference.

We are incredibly proud of our pupils for demonstrating such excellent community spirit and environmental responsibility.
