

Dear Grange Community,

Wishing you a safe, joyful holiday full of deep learning, great progress and the best of times.

We will miss you all - there were quite a few tears as we said goodbye to year 6 with their guard of honour procession!

It has been such a full and meaningful year and we are so proud of our children and the progress they have made this academic year.

All that is left for me to say is a huge thank you:

- To the amazing Teachers, Educators and Support Staff of Grange for your care, dedication and skill - you are awesome!
- To the amazing PTFA - serving iced coffee to keep the staff going through the heatwave and all your tireless work for the children and staff of Grange - you are wonderful!
- To all the parents and carers who helped on trips, attended events and volunteered and encouraged us along the way. To the volunteers who came for volunteer day to make our school shine - you laid foundations for the exciting future.
- To the newsletter team including our PTFA helpers for championing the canva bright new look for our newsletters and getting us more regular readers.
- To Orley Farm and Harrow Boys schools who we love working with and for their support and generosity.
- To the brilliant parents and carers of Grange for bringing their wonderful children to Grange and supporting their children.

To the wonderful children of Grange:

You are our hope for the future and we look forward to you doing good listening, using kind words and kind hands with confidence, consideration, kindness, humanity and peace!

Summer Term Sports Presentation Assemblies

On Thursday 9th July, we held two special assemblies to celebrate all the children who have represented our school at sports events this term and the children who have met the National Curriculum requirement of swimming 25m unaided. Special thanks was also given to all our Sports Leaders and Young Health Stars for their fantastic support this year.

We also rewarded all the children who displayed bravery, resilience, teamwork or courage on our Sports Days held earlier this term.

The assemblies culminated in announcing the Sports Day Winning House and the trophy presented to Water House Captains, Shahad & Caleb. Well done to all involved as it was very close this year...

4th Place: Air - 1178 points
3rd Place: Fire - 1220 points
2nd Place: Earth - 1248 points
1st Place: Water - 1281 points

We really want to have more children reaching the 25m mark in swimming so it would be amazing if families could support their children with swimming over the summer break. Not only is swimming a very refreshing activity in this hot weather, but it is also an excellent form of full body exercise that is fun and enjoyable for all!!

School Organisation proposals for Belmont School & Grange Primary School

The London Borough of Harrow is seeking the views of residents on two proposals to expand permanent specialist provision at two schools, Belmont School and Grange Primary school for pupils who have severe and complex learning difficulties and/or autism.

Public Notices has been placed in the local papers asking for comments to be sent to the local authority by 7 August 2026.

More detailed information is available in the complete proposals sections below.

Belmont school

Harrow proposes to expand special educational need provision by creating an additional 24 places at the school. The school already has a 12-place provision. These places are in addition to the published admission number of 90 places per year group and 630 in total. Total pupil numbers at the school would increase from the current 630 pupil places to 666 pupil places. Additional resources and buildings works will be carried out to support the school to meet the special educational needs of the additional pupils.

This Notice is an extract from the complete proposal. View the complete Proposals for Belmont School.

Grange Primary School

Harrow proposes to expand special educational need provision by creating an additional 6 places at the primary school. The school currently has 18 place provision. The places at the primary school are in addition to the net capacity for the school of 90 places per year group and 630 in total. Total pupil numbers at the primary school would increase from the current 630 pupil places to 654 pupil places. Additional resources and buildings works will be carried out to support the school to meet the special educational needs of the additional pupils.
