

Dear Grange Community,

Its been an amazing week of active learning; festivities and joy at Grange. There have been many highlights but for me a personal highlight was accompanying the Grange Young Ambassadors for Peace (YAPs) on their visit to our local care home. The visit was organised by our amazing senior ambassadors for Peace, Ms Mukadam and Ms Pratima.

The visit was so uplifting and heart-warming. Our children sang and played games with the residents and truly brought cheer and good tidings.

The reindeer visit was such a powerful expression of our commitment to active and outdoor learning at Grange with the children getting the most wonderful experience of getting up close and even feeding the reindeers. This is the type of learning that stays with one for life. We learnt that reindeers make a distinctive clicking sound with their feet so that even when they are walking in conditions where visibility is incredibly limited, they can stick together by listening to the reindeer near them and keeping in line with each other. It's a beautiful lesson from nature that if we communicate, we can stick together even when times are really tough. The Christmas lunch today was wonderful with music and crackers and it was a fitting end to a very full week. I didn't even make it to the violin concert this morning but Ms Watson said that the children sounded brilliant.

Wishing everyone a productive and joyful and kind last week of term next week.

CC Salute
Mr Kerbel
Headteacher
Grange

Ms Jarvis and her Family reading workshop group celebrated a brilliant term of great Grange progress.

Grange Super Spellers!

Well done to

- | | |
