

Dear Grange Community,

Welcome to the academic year of 2025-2026 at Grange.

Thankfully the rain stopped, the clouds parted and the sun shone brilliantly at 8.30am this Thursday for the children's first day back at school. We were grateful! The children lined up calmly and teachers and educators came out to welcome the children and take them to their new classes.

As always, we have a lot of new children starting at the beginning of the year and this year we also have a number of new staff starting as well. We welcome them all to the Grange family and I was so pleased to hear a new staff member tell me that our Grange family has been welcoming and supportive. That is our CC way.

Please do attend the 'Meet the Teacher' sessions coming up for all classes starting next week. Please look out for the specific class dates and we look forward to seeing you there.

Our neighbour school Orley farm has been wonderfully generous and supportive of Grange and we truly value our partnership with them. We are therefore including the invitation to their historic celebrations which are coming soon and we encourage all Grange families to make the most of what promises to be a great day.

Wishing everyone of the Grange community, a great year ahead full of deep learning, powerful progress, health, friendship and joy.

From Monday Years 4 to 6 should go straight into class for learning at 8.30am but years 1 to 3, the teachers and educators will come out for the lining up next week.

Please look at our new website and give us feedback. We hope you like it and find it helpful. There will be many opportunities to get involved and support our school so please read the newsletters, watch the Youtube videos and join the PTA.

Happy learning!

CC salute

Mr Kerbel
Grange

- ⇒ Y4 Swimming starts from Thursday 18th September 2025
- ⇒ Autumn term activity afterschool clubs will start week commencing 22nd September 2025
- ⇒ No School for children on 3rd November 2025 **INSET DAY**
