

Dear Grange Learning Community,

We have had wonderful Meet the Teacher sessions this past week and it has been heartening to see the attendance numbers increasing as the week went on. Thank you to all the parents and carers who came.

As a fellow Parent and Carer I know how busy life is and how hard it is to juggle and balance all the demands of work, household and family so taking the time to attend your child's meet the teacher meeting is greatly valued by us.

Each of us who is a parent and carer realises that we are the support team for our child for life and although we might make mistakes as parents and carers we have to keep doing our best. Putting in the time to attend your child's school events is so important for your child's progress so a big thank you to all those who attended.

Unfortunately, I noted that many parents and carers did not make it to these meetings.

We are in the process of uploading the presentations to the website so you should be able to catch up there on the class pages. However, we are hoping to send out a survey to find out why those parents and carers who did not attend, didn't turn up.

We also want to know if there is any more that we can do to make the meetings even better and more helpful. We really value our partnership with parents and carers and together we want to make the future of the world better through the deep learning, great progress and education of our children who are the pupils of Grange Please engage as parents and carers - come to the meetings, read the newsletter, follow the Youtube channel and keep checking the website and feedback to us so we can keep growing as a learning community.

Thank you for choosing Grange and for being part of our hope for the future.

CC salute

Our Student Council Elections

The new school year means the start of something very exciting at Grange – democracy in action! On Wednesday 17th September, children in Years 4, 5 and 6 voted for their new Student Council representatives. Each candidate had the chance to share their ideas and promises in a manifesto speech before the big vote.

Then it was time to head to the polling station. Everyone placed their vote into the ballot box, ready to be counted.

After lots of excitement, the winners were announced – the new Student Council reps for each class!

Here are our elected members:

Year 4

Truth Class: Zala & Partiv

Bob Marley Class: Esma & Hadi

Year 5

Greta Class: Sofia & Fabian

Turing Class: Aaliya & Mohammed Y

Year 6

Rumi Class: Laura & Israr

Malala Class: Nicole & Suyash

Year 5 Greta Class casting their vote

What does the Student Council do?

Our Student Council works hard to represent pupil voice across the school. They share the ideas of their classmates, help to make decisions, and plan projects such as improving playtimes, supporting special events and thinking of ways to make Grange even better for everyone.

A huge well done to everyone who took part – whether you gave a speech, supported a friend or cast your vote, you were all part of democracy at

Looking back...

Last academic year, the Student Council played a tremendous role in the school community. They:

- Helped to change and improve the lunch menus.
- Launched *Radio Grange*.
- Wrote articles and carried out interviews.
- Led a litter-picking day.
- Promoted safer crossing and road safety.
- Pitched their ideas at the *One Hour World* event.
- Created a mock-up of the mobile library and pitched it to Orley Farm.

Democracy in action!
