

Dear Grange Community,

I am so proud that for the 4th year in a row Grange is continuing with the 'Young Ambassadors for Peace' programme.

We were in the first cohort of this wonderful programme which is continuously expanding and this year is supported by Ms Begum and Ms Mukadam.

Our 6 young ambassadors attended a day conference this week and you can see a short video celebrating their participation on our Grange youtube channel.

The YAP programme is part of the Grange 'hidden curriculum' which is an intentional focus on supporting our pupils to learn values and life skills that will set them up to live their PB (personal best lives). We want our children to develop their character strengths and make a meaningful difference in the world as they grow and develop. Our school development plan identifies our 'hidden curriculum' as a priority focus and you might have noted other facets of this 'hidden curriculum' such as our adventure explorer booklets and our trips and enrichment opportunities which we are continuously planning for our children.

This is a key development aim of Grange and I welcome any feedback that will help us continue to develop the school in this area.

As I write this, it is wonderful to look out on the fields of Grange and see the joyous PTFA summer fair and I thank the whole PTFA for all their hard and caring work for the betterment of our school. Chido and her wonderful family (including all the extended family who came today) joined us last year and have quickly become a part of the heart of our school and the PTFA fair is evidence of her impact - thankm you!

Do not forget to sign up for the
afterschool activity clubs on Arbor.
The clubs will start from next school
week commencing 28th September 2026.

Grange Explorers Adventure Books
REAL EXPERIENCES • BRIGHTER FUTURES

Our Adventure Books are back!
We are excited to relaunch our Grange Explorers Adventure Books! A fun and inspiring way for our children to explore the world around them and build new skills and experiences.

Your child's Adventure Booklet will be coming home this week!

Grange Explorers Year 4 Adventure Book
Grange Explorers Year 5 Adventure Book
Grange Explorers Year 6 Adventure Book

What is it?
Each child has an Adventure Booklet filled with 20-30 exciting challenges linked to their year group. These include creative activities, outdoor learning, community experiences and more!

How does it work?
Children can complete tasks at home, in school or on trips with their family.
Show their teacher some evidence (e.g. photos, drawing, piece of work or a note).
Collect a stamp from their teacher when a task is completed.
There's no pressure to complete them all - it's about enjoying the journey!

Why are we doing this?
Grange Explorers supports key parts of our School Development Plan, including:
• Building character and independence
• Strengthening curriculum links beyond the classroom
• Promoting outdoor learning and community engagement
• Supporting British values, creativity and well-being

How you can help
• Encourage your child to try a task each week or month.
• Celebrate their efforts with them.
• Get involved with activities that interest them.

Adventure today. A brighter tomorrow!
GRANGE EXPLORERS - LEARNING BEYOND THE CLASSROOM

Young Ambassadors for Peace - Learning About Peace Within Ourselves

On Wednesday 23rd September, our newly appointed Young Ambassadors for Peace visited the Brahma Kumaris World Spiritual University for a special day dedicated to Peace Education.

Throughout the day, the children were encouraged to think deeply about what peace really means. They explored the idea of "Peace Within the Self", linking their learning to the United Nations International Day of Peace.

One of the important messages of the day was that creating a more peaceful world begins with developing peace within ourselves. The children reflected on how our thoughts, words and actions can affect others and how qualities such as kindness, respect, understanding and calmness can help us build more peaceful relationships.

The visit gave our Young Ambassadors an opportunity to reflect, discuss and develop their understanding of their new role. They returned to school with ideas about how they can help promote peace, kindness and harmony within our school community.

We look forward to seeing them share their learning and inspire others throughout the year to increase the peace in our world.

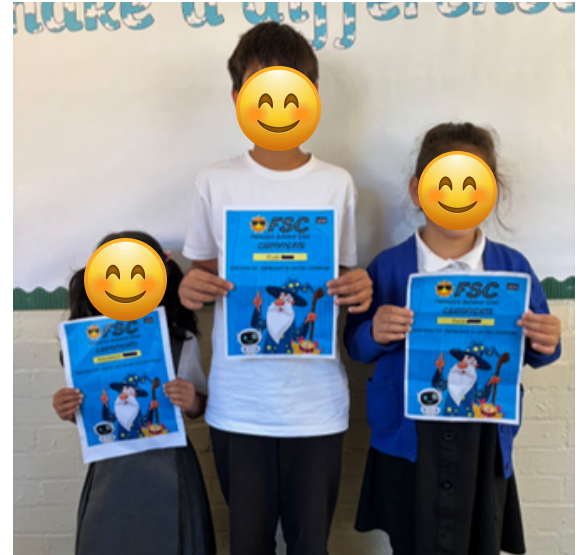

Summer Reading Challenge

A huge well done to Khadeejah, Elyas and Sana who took part in the Summer Reading Challenge at their local library over the summer holidays and completed it.

This is a great achievement and it makes us very proud to see Grange superstars continuing with their love for reading outside of school too!

If you took part in the Summer Reading Challenge, let your teacher know and bring in your certificate to show your classmates.

The Pantry Hot Dog Heroes Poster Challenge

We would like to see the children design their best Hot Dog Heroes or Street Food Characters. This can be on paper, on a paper plate or anything of their choosing and we can then display these around the counters to celebrate! If anyone wants to take part and then take these to the kitchen and we will make sure we put these on display.

Hopefully, this can be a bit of fun and we all cannot wait to see their creations!

Grange Super Spellers!

Well done to
