

Dear Grange Community,

Thank you for a wonderful week especially the Reception class meet the teacher meeting which was a highlight for me , being so well attended and with such positive engagement from our Grange Reception parents.

One of the reasons I truly love Grange is because of the fabulous families that we have at Grange. I feel that Parents and Carers actively want the best for their children and I always feel this when I meet with parents even when we face challenges. We are brave; we persevere and we are good at self-regulation as a community and I am proud of our Grange community.

I did want to mention that there are times in the morning when parents and carers want to speak to teachers or educators but I do ask that you do not come into the building at drop off time unless you go to the office to leave a message or make an appointment. This is because teachers and educators must concentrate and focus on the children and you will be challenged and politely asked to leave if you do try to come in because we simply have to keep our focus on the best for the children and distracting their teacher or educator is so detrimental.

I thank you in advance for your understanding and cooperation and I look forward to seeing everyone at parent/carer evenings when we most definitely do want to see all of our parents and carers in the building.

Keep reading and wishing all a great Grange weekend

We cannot wait to see what they achieve!
