

Dear Grange Community,

We are very excited to be holding our **Open mornings** over the next few days. Please make the most of this wonderful opportunity to come into the classroom and let your child show you their books and together, feel pride in the great progress that our children of Grange are making.

The children love their classes and their teaching adults and together we are building their futures 'right here; right now'.

Open mornings are a Grange way of including everyone and joining together as a community. **Please come!** You will be able to access the classrooms from the Welbeck and Furness sides just look out for the Staff member who will show you through. Children feel very left out if no special adult comes for them. All the dates are in this newsletter. Find your child's class and if you have multiple children, please do your best to get to all of your children's classes.

This week, our amazing year 5 children, performed their Shakespeare composition brilliantly. They sang, they danced, they spoke and they performed and the applause was thunderous as we celebrated just how brilliant our children are! It is genuinely a highlight of the year.

Year 6 went on their fabulous end of year Thorpe Park celebration trip and got wet and had incredible fun. We are now looking forward to the spectacular Yr performance and graduation in July

Lots of exciting activities and deep learning are taking place every day at Grange and don't miss the final week animal experience!

Wishing all a peaceful and joyful weekend
