Grange Primary's First Sponsored Walk – A Stride Towards Safer Streets

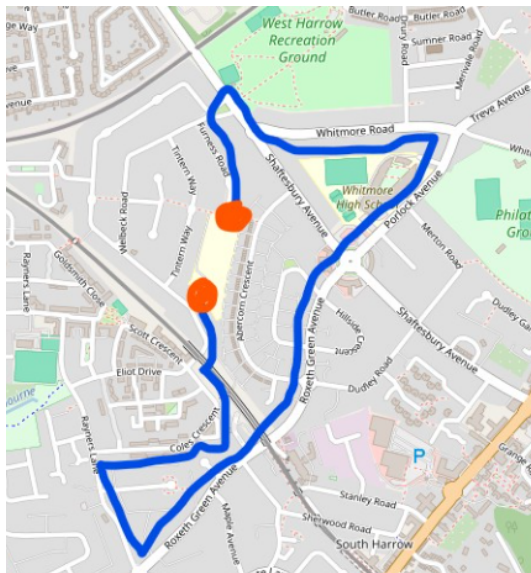

Image: The Route

On **Wednesday 11th June 2025**, Grange Primary School held its **first-ever Sponsored Walk** in support of *Brake.org*, the road safety charity. The event brought together **Year 6 pupils and Student Council representatives** in a meaningful community initiative to promote road safety awareness and raise funds for a vital cause.

The walk began at **1:30pm**, starting from the **Welbeck Road entrance** of the school. Pupils followed a carefully planned route, passing through local roads including **Coles Crescent, Rayners Lane, Roxeth Green Avenue, and Shaftesbury Circle**, before looping past **Whitmore High School and West Harrow Park**, and finally returning to school via **Furness Road**.

GRANGE STUDENT COUNCIL NEWS

The walk took approximately **45 to 60 minutes**, with regular stops to ensure safety and well-being. Children wore high-visibility jackets, remained in organised groups, and were supported by staff and **parent volunteers** stationed at key crossing points. Many pupils proudly carried handmade placards to highlight the importance of road safety.

We are incredibly proud of all those who took part. The sponsored walk not only raised funds but also reinforced our school's commitment to active travel, community involvement, and citizenship. Thank you to

everyone who supported the event and helped make it such a success.

Children proudly holding up their handmade banner to raise awareness about road safety.
