Exciting Initiatives for Our Pupils

The School Council has been busy working to enhance the experience for all pupils at our school. Here are some key areas we've been focusing on and our exciting plans for the coming months.

Pantry Team Meeting Highlights

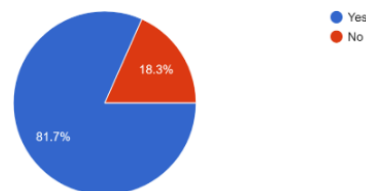

Claire, representing the Pantry team, attended a recent meeting to discuss important changes to our meal services. She emphasised that the nutrition team is dedicated to ensuring all pupils have access to healthy meals. A positive highlight was that our school has fewer packed lunches than others, indicating that our meal options are meeting students' needs.

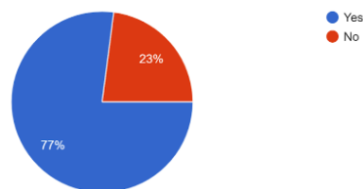

The council also shared survey results reflecting feedback from pupils from all year groups. Many suggested introducing more Grange special lunches, such as strawberry ice cream and corn on the cob. Laryoon and Sama have drafted a letter to the

Pantry team, which will be finalised and sent next week.

Themes for January and February are still to be confirmed. We encourage all classes to discuss these themes and gather feedback or suggestions for future menu days.

Radio Grange Revival

There is a strong push to revive Radio Grange, with plans to showcase the station to Orley Farm. Council members are encouraged to bring song lists from their classes to contribute to the Radio Grange playlist.

We look forward to sharing more updates in the future and thank all council members for their enthusiasm and commitment to making our school a better place for everyone!
