Grange Explorers – Adventure Books

- Every child has an **Adventure Book** with fun activities to try.
- Activities can be completed **at home, at school or with family.**
- Children can show their teacher what they have done and **collect stamps.**
- There is **no pressure to finish everything** – the aim is to have fun and try new things!
- Children who complete all the activities will receive a **special reward.**

Parents can help by encouraging children to take part and celebrating their achievements.

Trips & Enrichment Opportunities

Throughout the year, children will take part in a range of exciting **trips, visitors and enrichment activities** linked to their learning.

- Trips are planned to **bring classroom learning to life**.
- Children will have opportunities to **explore new places and enjoy new experiences**.
- Some trips will be **free or use public transport**, while others may require a **parent contribution** towards travel or entry costs.
- We will sometimes need **parent volunteers** to support us on trips.
- More information about individual trips will be shared throughout the year.

Thank you for your support in helping us provide these valuable experiences for our children.

Student Leadership Opportunities (Years 3-6)

At Grange, our **Student Leaders** are at the heart of our school and play an important role in making our school even better.

We encourage our Year 5 children to apply for a leadership role that interests them. There are lots of opportunities, including:

- **Radio Grange**
- **Playground buddy**
- **Young Health Stars**
- **Student Council**
- **Eco Warriors**
- **Digital Leaders**
- **Librarian**
- And many more!

Taking on a leadership role helps children develop **confidence, responsibility, teamwork and independence**, while giving them a real voice in our school community.
