Dear Parent /Carer

Furness Road and Tintern Way

I writing to you all with a great deal of concern and disappointment regarding drop off and pick up times at school. Over the last few weeks there have been a number of reported incidents to the school about you, our parents/carers, with reference to parking and inconsiderate driving at these times.

We, as a school, have worked very hard to educate our children about road safety, the benefits of walking to school and tolerance to one another. This is something that we would expect our parents and carers to also promote to our children.

In light of the situation outside the school at these times we will be taking the following actions:

- Asking the London Borough of Harrow and the Police for assistance to monitor drivers and to investigate any threats that have been made to local residents.
- Photographing vehicles that are badly/illegally parked and sharing this in the school newsletter and other forms of media together with the authorities.

Poorly parked vehicles along Tintern Way and Furness Road stop ambulances, fire engines and police vehicles from being able to access emergencies. Bad driving and poorly parked vehicles are also a huge risk to our children and again there have been several near misses in recent times.

As parents and carers the school would like your support in making drop off and pick up a safer and more pleasant time for everybody concerned.

Thank you for your cooperation

Yours sincerely,

A Szymaniak
Headteacher
