

16th June 2017

Dear Parents,

On Monday 4th July the children in Years 5 and 6 will be taking part in our annual Careers Day event. The children will attend two workshops each which will focus on their preferred career choices. There will be guest speakers and an opportunity for children to ask any questions.

In order for the children to really feel like it is a careers event, they are required to come to school dressed in business like attire. For example, boys could wear a shirt, trousers and smart shoes. Girls could wear a smart dress or trousers and a smart blouse. No jeans or trainers are to be worn.

I would really appreciate your support in this matter and I am confident the children will enjoy this very informative day.

Yours Sincerely

Mrs Joshi
Year 6 Class Teacher
