

9<sup>th</sup> June 2017

Dear Parents/Carers,

As you know, we have worked really hard this year to improve children's reading at Grange Primary School. This has included introducing a new system to register children's home reading online, ensuring children change their home reading books regularly, investing in lots of new books and close monitoring of the children's progress as well as creating a new library which will be open for use very soon.

We thank you for all your efforts in reading with your children at home which supports the hard work of the teachers and LSAs in school.

In order to support you further with reading at home, we have signed up to the Scholastic Book Club. We already hold a Scholastic Book Fair which has been a huge success. Now you will be able to buy books from Scholastic, at a discounted rate, more regularly.

Attached is a leaflet showing all the books that are available to buy. By visiting <http://schools.scholastic.co.uk/grange-ha2> you can browse the latest books and place an order online. The books will then be delivered to school and sent home with your child.

For **every £1 you spend** on this month's Book Club, **our school will earn 20p** in Scholastic Rewards which we can use to buy even more books for the children to enjoy at school.

If you require any support with this, or anything else related to reading, please let your child's class teacher know.

Yours sincerely,

*H. Drakard*
