

Mr/Mrs A Parent

Parent Governor Election

Dear Parent(s)/Guardian(s)

We have two vacancies for parent governors as part of Grange Primary's Governing Body. Parent Governors work alongside other types of governor and the Head Teacher. Parent governors are elected by and from the parents and guardians of children currently attending our school. They serve a four-year term of office and bring a very important and valued perspective to the work of the governing body.

You might like to look at the information for prospective governors on the Grange Primary School website. Further information on the role can also be obtained through the school office.

The governing body has a vital role to play in making sure every child receives the best possible education. This is achieved by ensuring that governors have the necessary skills and commitment to contribute to the effective governance and success of the school. The particular skills that the governing body at Grange needs include the capacity and willingness to learn and work as part of a team, the ability to work in a professional manner and take collective responsibility for decisions. Governors must have an active commitment to the school's vision and ethos. It is expected that governors will make use of the various training opportunities available to them and play a full part in the work of the governing body.

If you are interested in becoming a governor, contact the school office with your nomination (self nomination is acceptable), which will need to be with the school by 12.00 noon on

If there are more nominations than vacancies, an election will be held and you will be sent a voting paper.

Yours sincerely

Headteacher/Chair of Governors
