

Tag Rugby Festival – Harrow Rugby Club

On the 29th of November some people from year 5 and year 6 were chosen for the tag rugby festival

At break time we went to the group room to change in to our grange P.E kits. After that, by 12.00 we got on the mini bus. A few minutes later we ended up at the wrong place, so then we got back on the mini bus and finally reached our destination. There was a huge rugby field. We put our bags and coats down. We were practising really hard for half an hour. Then we got called by the person who hosted the event. He explained all the rules.

In the end we played 6 matches in total. We won 4 “Yay!”, but unfortunately we lost 2. They were really hard, but we tried and that’s was counts. It was really fun. Our team worked so hard to win 4. Then we headed back to school on the mini bus.

When we got back, the girls changed in a tiny room. When we were finished, I headed back to class
