

Pupil Premium Provisions 2019-2020

At Grange, we use the Pupil Premium Grant to narrow the gap between pupils based on their individual needs and aim for every child to be a Great Grange Graduate.

Our belief is - and research evidence shows - that the quality of teaching and learning is the most important in-school factor in the achievement of all pupils.

While we know that enriching classroom experiences are paramount, we also know that providing enhancements and enrichments to the curriculum are just as important. Experiencing the broader world is a crucial factor before joining it.

In addition to the above, some children will need more time and/or support to ensure they are able to fulfil their potential. In these cases, additional targeted intervention and support strategies are provided and the impact reviewed regularly.
