Part 3

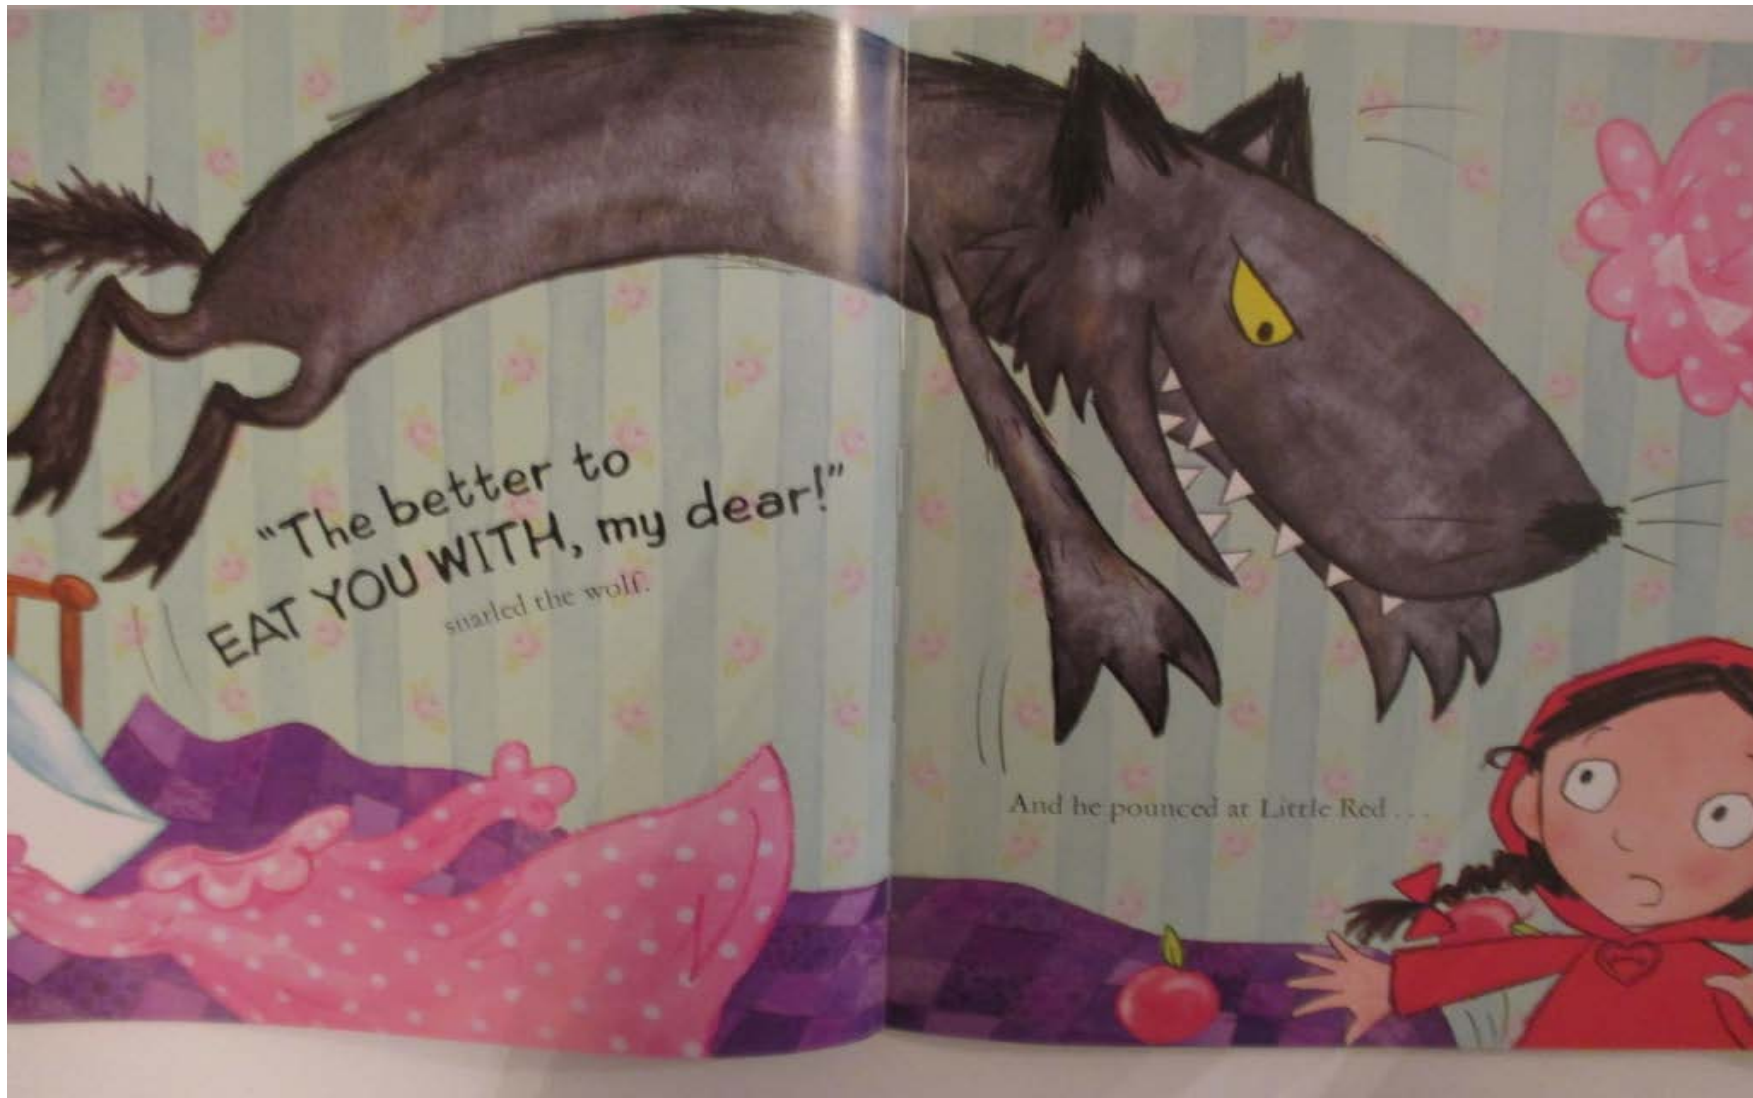

"And Granny," **Little Red** said carefully, what **BIG, HAIRY ARMS** you have!"

"The better to hug you with, my dear," growled the wolf.

"But Granny," **Little Red** whispered, "what big **TEETH** you have!"

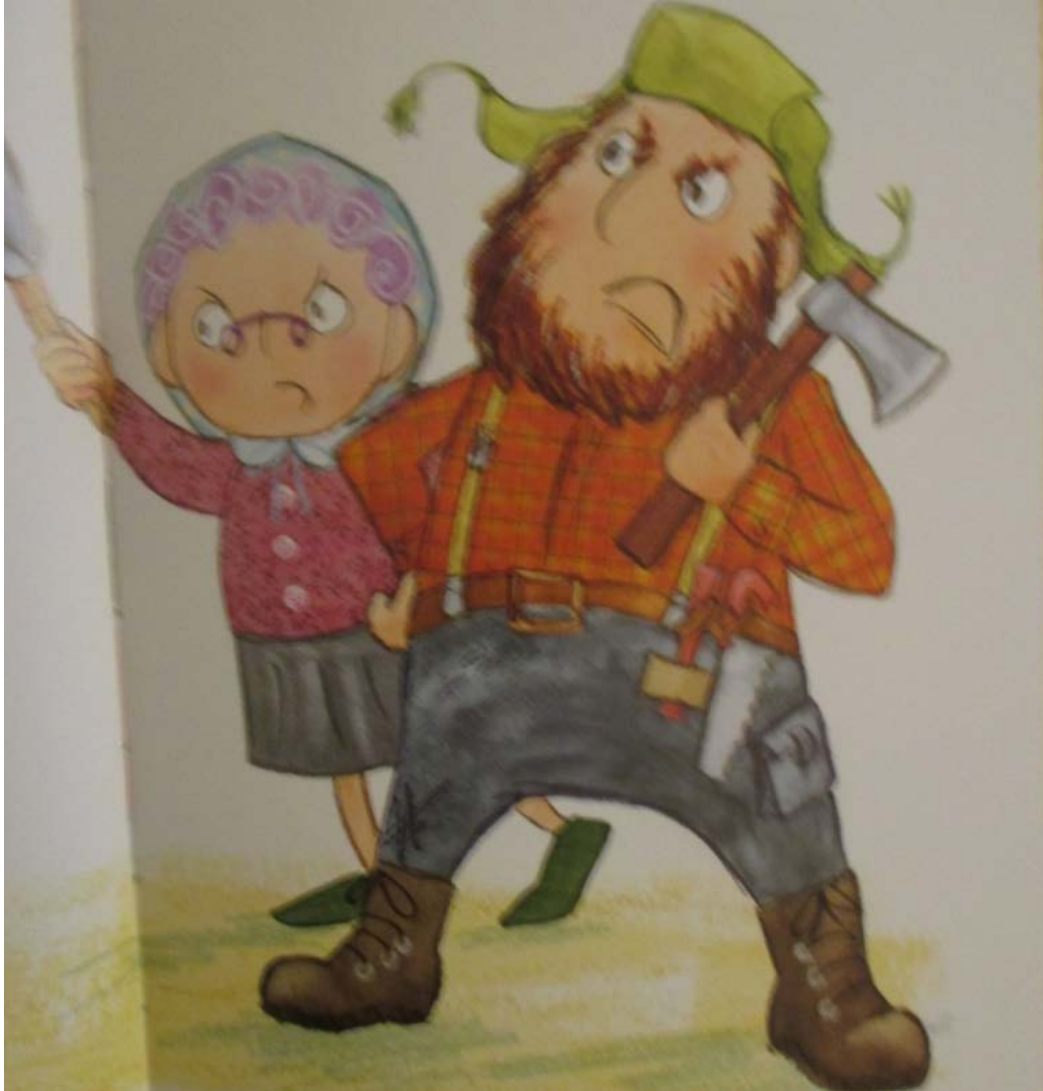

" The better to EAT YOU WITH, my dear!" snarled the wolf. And he pounced at Little Red.....

Just at the moment, the door burst open.  
In rushed Granny, with the woodcutter.  
"Stop right there!" yelled Granny.

"Put her down now!"  
bellowed the woodcutter

With a terrified howl, the wolf  
jumped out of the window  
and ran far, far away, never to return.

**Little Red** hugged Granny tight. "I'm so glad you chased that wolf away!" she said. And she gave granny the basket of fruit.

"What a day of excitement!" laughed Granny " Now let's all have breakfast!"

# THE END

## Activity

- Can you retell the story of Little Red Riding Hood?
- Cut out the pictures in your pack and create stick puppets.
- Use these to help you retell the story.
- You might want to make up your own actions for the story to help you retell it.
