

YEAR 6: ACTIVITIES FOR WEEK BEGINNING 15th June 2020

Dear Parents,

Please see day by day work for your children. It is extremely important that your child completes the English Unit as the final piece of work will be sent to the children's secondary schools. If you have any concerns or queries, please email us on Yr6@grange.harrow.sch.uk

Dear Children, all your daily tasks will be emailed to you and the links provided for your learning. If there is an activity that needs printing, just read it from the computer and complete the work in your homework books. A tutorial explaining each lesson can be found on YouTube.

Please note we will be emailing all the video links via email. So please do check your email.

Enjoy your learning and if there is anything more you need, please let us know.

Monday 15th June 2020

Learning Intention: To apply the theme of Skellig for our own writing.

Learning Intention: To interpret a pie chart

Learning Intention: To understand what life was like living in Nazi Germany.

You are going to be using the Oak National Academy lessons for History. Please use the link below and work through the second lesson.

<https://classroom.thenational.academy/lessons/what-was-life-like-in-nazi-germany>

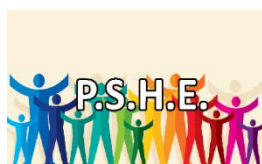

Tuesday 16th June 2020

Learning Intention: To plan a story related to the theme of Skellig.

Learning Intention: To explore percentages on pie charts

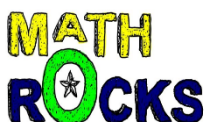

Learning Intention: To understand the importance of a Primary education.

Wednesday 17th June 2020

Learning Intention: To apply a variety of writing techniques to our writing.

Learning Intention: To construct a pie chart

The Nature of...

Learning Intention: To use test results to make predictions and set up further comparative and fair tests.

This lesson will be sent via email and will be in the form of a Word Document

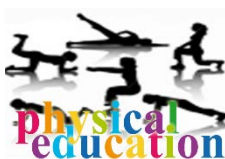

Thursday 18th June 2020

Learning Intention: To apply a range of writing techniques to our writing.

Learning Intention: To solve problems involving pie charts

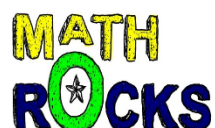

Do PE with Mr Gomez

Friday 19th June 2020

Learning Intention: To edit and improve my writing.

Learning Intention: Hot Task on Statistics

Learning Intention: To begin to understand how coding works. Please visit <https://code.org/learn> and **select grades 6-8**.

Have a go at a coding activity, they are all free for an hour and you should get quite a lot of practice on coding.
