

YEAR 6: ACTIVITIES FOR WEEK BEGINNING 8th June 2020

Dear Parents,

Please see day by day work for your children. It is extremely important that your child completes the English Unit as the final piece of work will be sent to the children's secondary schools. If you have any concerns or queries, please email us on Yr6@grange.harrow.sch.uk

Dear Children, all your daily tasks will be emailed to you and the links provided for your learning. If there is an activity that needs printing, just read it from the computer and complete the work in your homework books. A tutorial explaining each lesson can be found on YouTube.

Please note we will be emailing all the video links via email. So please do check your email.

Enjoy your learning and if there is anything more you need, please let us know.

Monday 8th June 2020

Learning Intention: To use inference to answer questions.

Learning Intention: Introduction to statistics

Learning Intention: To understand how Hitler rose to power.

You are going to be using the Oak National Academy lessons for History. Please use the link below and work through the first lesson.

<https://www.thenational.academy/year-6/foundation/how-did-hitler-rise-to-power-year-6-wk2-4>

You can also visit the BBC Bitesize website for additional information
