

THE GRANGE GAZETTE

grange.harrow.sch.uk

BRINGING YOU ALL THE NEWS FROM SCHOOL

The journalists of Tubman class will be writing a weekly newspaper for Grange Primary School. We want to inform and connect all of the Grange classes. We want to encourage pupils to use their voice to share their thoughts and achievements.

By Ansaar, Wasim and Imran from Tubman class.

Achievements

In Year 2, they have successfully completed their SATs tests and we hope they pass with flying colours. Recently, Year 6 have celebrated finishing their SATs by going to West Harrow Park. Mr Kerbel told us how proud he was of all of those who took part.

Sports

Grange has been developing their contribution to all sports. The school has been working on taking part in the Daily Mile to improve our health and fitness. We took a whole school survey to discover the most popular sport: football or basketball. According to Grange pupils, the most liked sport was basketball. If you want to take part in more basketball, join the basketball club (which is run by Miss Kalu). We are looking forward to hearing more about Grange sport in the future.

Looking into the future

As we come to the end of the school year, there is lots to look forward to and it is a time to celebrate our hard work. Year 4 are going to be visiting the Science Museum and we are sure they will have a great trip. They will also be participating in an exciting song festival very soon. Mr Kerbel is enthusiastic about the upcoming events and completion of the building work at Grange. We cannot wait to hear more spectacular news next week.

If any adults, pupils or classes of Grange would like to be interviewed for next week's newspaper please visit Tubman class before next Friday.
