Year Group	Subject	Topic
1	English	'I Want My Hat Back'

### The Big Picture

'I Want My Hat Back' is a story about a bear who has lost his hat and wants it back. He asks lots of animals he meets whether or not they have seen it. We will read the story and think about the bear's feelings at different points in the story. We will also think about adjectives to use to describe the bear and the different animals he talks to. The aim of this topic will be to re-write the story, innovating and changing one element of it. We will also think about creating an informative poster about looking after your belongings. The re-writing will be 'writing to entertain' and our non-fiction poster will be focusing on 'writing to inform'.

### Enquiry Question

What are feelings?  
 What are adjectives?  
 What adjectives can you use to describe the different animals?  
 What does 'non-fiction' mean?

### Key Vocabulary

Adjective	A describing word.
Feelings	Different ways we feel inside. They never stay the same and always change for different reasons.
Non-fiction	Writing about real-life things, including lots of information.
