Year Group	Subject	Topic
1	Geography	Contrast between Peru and the U.K.

The Big Picture

In this topic we will be learning about Peru and comparing it with the U.K. We will use our map skills by practising how to find a map of the U.K. and find where we live and learn to identify Peru. We will learn about the equator and how to identify the North and South poles. When we learn about Peru we will ask ourselves different geographical questions to help us learn. We will compare different things like buildings and the weather in England and Peru.

Enquiry Questions

Where do we live? Can we find where we live on a map?
 What is the equator?
 Where is Peru? Can we find it on a map?
 What is the weather like in Peru? Do they have the four seasons like us?
 What animals live in Peru? Are they the same as the animals in England?
 What is it like to live in Peru?

Key Vocabulary/Facts
